

# ADVENTURE TRAIL (CHINATOWN)

## A Time-Traveller's Journey

**Synopsis:**

As a time-traveller from the past, you have arrived in modern day Singapore with a sense of bewilderment and confusion. The landscape has changed so much from what you remember from 1939, and life seems much better than before. The dirty streets of Chinatown filled with vice and suffering has literally transformed into a pristine commercial district.

Make your way around the streets of Kreta Ayer, Telok Ayer and Bukit Pasoh as you attempt to identify structures that seem frozen in time.

At the end of this tour, you will experience key landmarks in Chinatown through the lens of history, and through this, appreciate the efforts we have made as a nation to preserve our heritage.
